Steps to enroll or renew your Marketplace insurance plan:

- Complete the application; get assistance from certified Navigators or application counselors, insurance agents, brokers and companies, or the Marketplace Call Center (See contact information at bottom of page.)
- **Review/update information in your Marketplace Application**
- Review/compare the health plans available for your community

HEALTH INSURANCE PLANS ARE NOT ALL ALIKE AND MAY BE DIFFERENT THAN PREVIOUS YEAR PLANS!

Insurance plans offer different benefits and may change yearly. Insurance companies contract with different hospitals, doctors, pharmacies, and health care providers. Plans may limit which doctors, hospitals, or other providers you can see.

Insurance Companies ACA Marketplace Coverage Plans

Metal Levels indicate different types of insurance plan coverage and estimated percentage of costs you will have to pay.

Level	Average % Paid by Insurance Company	Average % Paid by Purchaser	Coverage Explanation
Catastrophic	60%	40%	Catastrophic Insurance is only available if you are 30 years old or younger or to people who have received certain "hardship exemptions." Each member of the family must meet eligibility requirements to purchase.
Bronze	60%	40%	These plans may have lower premiums, but require purchaser to pay more of the cost for services.
Silver	70%	30%	
Gold	80%	20%	These plans may have higher premium, but require purchaser to pay less of the cost for services
Platinum	90%	10%	

THINGS TO KNOW - General:

- Health insurance coverage helps pay costs when you need care
- ACA provides access to basic, affordable (CSRs), high-quality healthcare insurance (physical & behavioral)
- Private insurance companies provide plans to individuals, families, & businesses in the ACA Insurance Marketplace
- Health insurance is a contract between you & an insurance company
- You'll receive a "health insurance card" or other documentation from your insurance provider showing proof of coverage
- **There is no "ACA/Obamacare" insurance card**
- **Almost everyone will be required to pay certain costs with their chosen plans:**
 - Premium payments (*amount you pay, usually every month*)
 - May need to meet an **annual deductible** (*amount paid before the insurance begins to pay for services*)
 - May need to pay **co-payments** (*fixed amount paid when healthcare services, products, etc. are provided*)
- Insurance plan cost and coverage (benefits, providers, etc.) may change from year to year
- Compare, confirm and check your plans (including whether you indicated automatic renewal selection in Marketplace)
- Short-Term Insurance Plans in LA: less cost but provide limited coverage, benefits and security

(Before buying - Read Disclaimers)

Well-known insurance companies sell plans in Short-Term, ACA Marketplace, Medicaid, small & large group markets. Know your needs regardless of the insurance company name. **Shop all insurance companies.**
